

BioTroop Clear

Biological odor removal and pipeline degreasing agent for domestic use

Purpose of use

Environmentally friendly and safe pipeline treatment agent for domestic use. BioTroop Clear contains environmentally friendly microbes that use organic waste as nutrient. This process keeps drains clean and eliminates bad smells keeping drains odorless. Fully biodegradable, environmentally friendly, and fully compatible with wastewater treatment plants.

Biologically dissolves all kinds of organic waste in pipelines, such as proteins, sugar, starch, fat, oil, grease, cellulose, as well as raw sewage. The product has a light perfume that eliminates unpleasant odors.

Properties

White mildly fragranced liquid.

Contents

Please see separate Safety Data Sheet for ingredient details
pH of solution 7.0 (Neutral)
