

SMART PIPE
SYSTEM

BioTroop BL-20

Biological odor removal and degreasing agent

Purpose of use

Environmentally friendly and safe pipeline treatment agent for professional use. BioTroop BI-20 contains environmentally friendly microbes that use organic waste as nutrient. This process keeps drains clean and eliminates bad smells keeping drains odorless. Fully biodegradable, environmentally friendly, and fully compatible with wastewater treatment plants.

Biologically dissolves all kinds of organic waste in pipelines, such as proteins, sugar, starch, fat, oil, grease, cellulose, as well as raw sewage. The product has a light perfume that eliminates any unpleasant odors.

Properties

Light blue liquid.

Contents

Please see separate Safety Data Sheet for ingredient details pH of solution 7.0 (Neutral)
