

# BioTroop PowerWash

Strongly alkaline degreasing agent

## Purpose of use

An advanced, ready to use product for use in cleaning and degreasing a variety of non-porous surfaces found in kitchens, ships, engineering workshops, offshore structures etc. An ideal grease removing product with many applications where there is a build-up of oil and grease, whether is in hydrocarbon, synthetic, mineral or vegetable based.

## Characteristics

Lightly perfumed liquid

## Contents

A micro-emulsion formulation which combines bio-based surfactants with naturally occurring plant esters.

pH 10.5

## Usage Instructions

Pour BioTroop PowerWash in a trigger spray bottle preferably equipped with foam head. Spray the soiled surface and allow to stand for approximately 5 minutes. Apply brush or cleaning tool. Wipe or rinse off.

Product Code	Packing size	GTIN
