

BioTroop Sani

Dual-action toilet cleanser

Purpose of use

A dual-action cleaner that serves as both a toilet cleaner and keeps the pipe components of the toilet free from organic residues. Suitable for households and especially designed for professional use.

Contains environmentally friendly acids, with effectiveness based on lactic acid. The acids work efficiently on calcium carbonate-based limescale deposits as well as urinary stones.

Properties

Lightly scented gel
Strongly acidic, pH 2

Contents

Dual-action cleanser. Please see separate Safety Data Sheet for ingredient details.

Instructions for use

Dispense 10–20 ml of the cleanser into the toilet bowl and brush it clean. Rinse.
